To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Ms. LeKiesha White. Ms. White has demonstrated exemplary instructional strategies as a AP Environmental Science, AP Biology, Biology (ESL), & Biology Instructor at Meadowbrook High School . Her instructional and expertise in that regard exemplifies that of a veteran Teacher Leader. Ms. White consistently contributes to the team beyond the scope of her duties. She also demonstrates a genuine compassion for our learners. Furthermore, I know Ms. White to be an effective Instructional Leader who is conscientious about her work and professional development, which makes her a very valuable asset to any school environment.

It is for these reasons that I highly recommend Ms. LeKiesha White the position in which she is applying. If more information is needed, feel free to contact me at 804-743-3675 ext 6228 or rashaad_pitt@ccpsnet.net.

Sincerely,

Rashaad Pitt, Dean of Students
